Title: Need to construct an obverbridge on National Highway No. 8 at Himmatnagar, District Sabarkantha, Gujarat.

SHRI MADHUSUDAN MISTRY (SABARKANTHA): National Highway No. 8 passes through Himmatnagar, District Sabarkantha, Gujarat. The Highway No. 8 is made four lane. Due to making of four lane, other outlets of traffic are closed. Beside the passing vehicle on the highway moves with a speed of more than a 100 km per hour. The traffic junction at Himmatnagar to village Hadiyol is also extremely busy. This traffic to Hadiyol and Dhansura crosses the National Highway at Himmatnagar. Due to crossing of highway, there have been fatal accidents and many people have lost their lives, and hence there is a dire need to construct an over-bridge for passing traffic and people to cross the National Highway No. 8.

I urge the Ministry of Surface Transport to direct the National Highway authority to construct this over-bridge immediately so as to save the lives of the people.
